Agreement not valid until payment is received in full. Payment must be received within 30 days of the date below. *This service agreement guarantees shelter from any overtime diagnostic fees or overtime service rates. A customer who invests in this agreement will only be subject to the standard diagnostic fee (\$59.00) and will receive a 15% discount on heating system repairs performed, excluding full system replacements, and proposal / bid work, any time of the day, any day of the year. Prices based on Paupack Fuel Oil's flat rate pricing schedule. Any additional repairs/parts needed during yearly precision tune up will be billed according to the flat rate schedule. Any work done by the homeowner or another entity will make this agreement void. This agreement does not cover shipping and handling costs on ordered parts, Acts of God, power failures, electrical storms, power surges, fire damage, flooding or other water damage such as leaking pipes or system freeze-ups, heat failures due to thermostat failure (including batteries, programming, internet communication issues, or wireless communication issues). This agreement does not cover damage due to freeze-ups or other damages caused by a malfunction of the heating system or problem with the heating system as a result of or while the building is unoccupied for any amount of time. Plumbing repairs and domestic water tanks are not covered under this agreement.
